Re: Terri Pechner-James

Dear Atty. Sacco:

This letter is a follow up to our recent phone conversation regarding the transfer of Ms Pechner-James' files for the matters that this office had previously represented her on. I am enclosing the divorce file in this letter. However, as I told you, the file on the discrimination case is voluminous and cannot be sent in the mail.

You should be aware that the Court has scheduled a hearing on the Motion to Withdraw on February 6, 2007 at 2:30 PM. All counsel and both plaintiffs are required to attend. I suggest that you attend this session with Terri so you can have any input necessary to get your point across on my withdrawal and your appearance. As you know, I am still her attorney of record until the court allows my motion. You may have a problem with the court since all of the parties including Terri had agreed to go to mediation and the judge was anxious to get that done.

Please contact me upon receipt of this letter.

Very truly yours,

  
James S. Dilday
